Investment Fees – Standard

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The sections below set out the different ways in which I can calculate the correct level of fee for the initial advice. Only one of these will apply and once I have a better understanding of your situation I will confirm the appropriate fee structure and be able to give you the actual fee amount that will apply to you.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained the fees below will cover a full advice process: understanding your current situation, objectives, attitude to risk, research to identify suitable solutions, documenting our recommendations and implementing the agreed solutions.

Fees for the design, production and implementation of a financial strategy are calculated as follows:-

Initial Fees:

1. Percentage of amount invested

In Respect of Lump Sum Investments and Single Premium Pensions

The fee is calculated according to the size of the transaction, as set out below:-

When our work involves investing a lump sum of money, our fees are:

- 4% on first £50,000,
- 3% on the next £50,000 and
- 2% on the next £50,000 and
- 1% on any balance
- Our typical charge for an investment of £75,000 would be £2,750, which is 3.66% of sum invested.
- Our typical charge for an investment of £100,000 would be £3,500, which is 3.50% of sum invested.

All investments, no matter how small, require a certain amount of work, therefore the fee will typically be higher, as a percentage of the amount invested, for smaller investments than larger ones.

Should you invest through regular contributions, our range of fees taken over 12 months are:

- Up to 50% of the first £250 of monthly contributions
- Up to 30% of the next £500 of monthly contributions
- and 10% over £750pm.

For contributions below £250 per month, our typical fee is 50% of the first year's contributions. Our minimum regular contribution is £216.33 per month.

For a regular contribution of £216.33 per month, this would equate to £1,297.98 ($12 \times £216.33 \times 0.5$).

For contributions above £250 per month but below £750 per month, our fee would be an aggregate rate of the first two tiers, see tiers above.

For example, for a regular contribution of £300 per month this would equate to £1,680. ($12 \times £250 \times 0.5$ plus $12 \times £50 \times 0.3$).

The fees outlined above are raised when the investment is made, and it is likely that no VAT is due on these fees. These fees are capped at £5,000.

If you ask us to stop work after agreeing to these fees you will be invoiced a minimum fee of £919.68.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

Initial Fees:

2. Fixed Rates

We offer a range of advice services at fixed rates, set after an initial consultation. Full details of all fixed price services available will be provided on request but our typical fees for two levels of Financial Review are:

Full Financial Review £1,500

A fully documented review of your assets and liabilities and net worth; current and projected income and expenses (e.g. projected into retirement); insurance policies, retirement provision and other investments, including an analysis of current product and fund features and estimated inheritance tax liabilities with generic recommendations to meet the your broad financial objectives.

Basic Financial Review £750

A simple documented review of current arrangements in relation to your objectives, orientated to meet a particular need (such as retirement income) with generic recommendations.

If no further work is undertaken leading to an actual investment; it is likely that VAT is due on these fees.

Fees calculated using a fixed rate may be paid directly or be converted to a % of a subsequent investment, facilitated by the Product Provider.

Minimum Fees & VAT

The fees outlined above are raised when the investment is made and it is likely they will not be subject to VAT.

A minimum fee of £1,298.01 will be charged for any work resulting in recommendations to transact business in all Investment and Pension areas.

Any variation to this amount will be confirmed in writing to you before proceeding further. This may be for example for larger or more complex loans, or where your personal situation is more complex regarding income sources, taxation, residence, and credit rating.

If you ask us to stop work after agreeing to these fees you will be invoiced a minimum fee of £1,298.01.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

Existing client discount:

We are committed to treating clients fairly. Our research has shown that the time it takes to work with a new client is longer than an existing client, mainly related to getting to know them to advise them comprehensively.

To reflect that and to reward the loyalty of our existing clients, we offer the following:

- % charge based on cumulative total investment amount rather than just the top up amount.
- The removal of minimum fee levels for implementation fees.

An existing client is defined as:

- A client who has affected a plan where we had received ongoing income (trail commission or fee) in the previous 12 months.

Family member discount:

Retaining your wealth and ensuring it is passed on as ethically as possible to the right people at the right time is key for all our clients. To help facilitate this, it is beneficial to know as much about your family unit that is appropriate to your circumstances so that we can help at that critical time. To assist with this we also offer:

- Discounts on implementation fees for family members of 12.5%.
- The removal of minimum fee levels for implementation fees for family members

A family member includes a person's parents, spouses, siblings, children, grandparents and grandchildren, whether connected by birth, adoption, guardianship, marriage, civil partnership or cohabitation.

| Financial Planning | A comprehensive service aimed at initial analysis, recommendation, and implementation in line with a client's immediate needs. With ongoing review and recommendation, this is a service to adapt to a client's changing needs and circumstances. |
| Financial Advice | A straightforward advice service typically centered on immediate client issues and needs that require initial analysis and recommendations. With ongoing review delivered remotely and via advisory updates, this still brings client awareness and peace of mind. |

At a review, we will cover:

*Advice on new investments/savings will be subject to our 'initial fees' as shown under our 'Investment Fees - Standard' section earlier

Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

All service levels include a review, it is simply the style and frequency that alters as shown in the table below:

Examples of Ongoing Fees

If we look after you via our 'Private Wealth Management' service (as detailed above) & your investments are valued at £750,000, our fee is 0.75%. Therefore, the annual payment to us will be £5,625.

If we look after you via our 'Financial Planning' service (as detailed above) & your investments are valued at £100,000, our fee is 1%. Therefore, the annual payment to us will be £1,000.

The elements that make up your ongoing servicing package are subject to alteration; I will notify you in advance and in writing if any of these aspects change.

Impact of Fees

When you make an investment there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund managers charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

Investment Fees – Ad Hoc / Where No Ongoing Service In Place

If you do not wish to subscribe to an ongoing service, we provide many services on an ‘ad-hoc’ basis. Should you require any services as noted below, or bespoke work to be carried out, we will be able to tailor a specific service. **Please note that implementation fees are in addition to the examples shown below.**

An additional fee may be required, typically calculated in accordance with our hourly rates, as shown at the bottom of the table below.

Prior to any work being agreed and carried out we will give an indication of the approximate amount of time that these tasks might take. These additional fees might be paid by single payment (e.g. by cheque), charged from your investment plan(s) or via regular monthly retainer payments (e.g. standing order).

Fees will depend on individual circumstances, but are typically:

| Investment Fees – Ad Hoc | |
|--|---------------|
| Face to face meeting to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern | £750 |
| Advice and recommendation to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution) | £750 |
| Additional research fee per existing pension scheme | £250 |
| Advice on withdrawing money from your retirement funds | £500 |
| Regulatory & taxation updates | £49 p.a. |
| Annual valuation | £152 |
| Annual risk profile questionnaire | £252 |
| Annual telephone advisory update | £403 |
| Additional reviews per session | From £400 |
| Quarterly E-Newsletter facility | £30 p.a. |
| Pure time related rate work per hour | £150 |
| Implementation fees | Standard fees |

For example, a client has invested £100,000 and did not wish to be part of our ongoing advice services. Should the client ask for further advice on the original investment in the future, the fees from the table that would typically apply are:

‘Face to face meeting’ to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern
= £750 plus

‘Advice and recommendation’ to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution)
= £750 plus

Implementation fees will also apply as per the standard fees (i.e. Including 12.5% existing client discount = £3,062.50).

Total fee = £750 + £750 + £3,062.50 = £4,562.50

Please note that these services on their own are likely to attract Valued Added Tax (VAT), in accordance with current HMRC (HM Revenue and Customs) guidelines.

Where any of the above services are included in an ongoing service option, you will not be charged separately for these services.

Mortgage & Protection – Ongoing Services & Fees

Set out below are the details for the ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

1. Communication

In order to provide you with a high-quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you

2. Protection

It is important to ensure your current protection plans and provisions remain in line with your requirements, which may change over time.

3. Mortgages

If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. We encourage you to contact us should your financial circumstances change in the meantime.

We will make reasonable endeavors to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

Unregulated Mortgages

It is important to point out that not all mortgage loans and services are regulated by the Financial Conduct Authority. Some of the advice and services we provide may relate to loans which are either unregulated or have limited consumer protection.

We will confirm to you if any product we are recommending is not regulated by the FCA.

You should note that if we are arranging a "Buy-to-Let" mortgage for you, it is very important to understand that very few Buy-to-Let mortgages are regulated by the Financial Conduct Authority (FCA).

We will confirm to you if any product we are recommending is a Business Loan; a Business Buy-to-Let; or a Consumer Buy-to-Let loan.

Client Categorisation Levels For Your Protection

The FCA has rules which affect the rights you have as a client. In our dealings with you we will be representing you as the client.

By default, we categorise all of our individual clients as 'retail' clients. The range of financial products and investments we recommend are tailored to meet the needs of retail clients. As a retail client, you will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other client categorisations that don't have these rights. These are "professional" clients and "eligible counterparties".

You may have the right to be categorised as a professional client and revoke your retail client status on request. Should you feel you have the skills, knowledge and experience to be a professional client and don't wish to have the same protection afforded to retail clients (as explained above), please let me know and we will complete the forms necessary to re-categorise you.

If you have any questions regarding your categorisation (e.g. if you are a large company), please write to Quilter Financial Planning Ltd Compliance Department, Sunderland, SR43 4JR or using the contact details above.

Client Money Peace of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Client Risk

The value of investments can fall as well as rise. You may get back less than you originally invested. The price of investments that we recommend to you may depend on fluctuations in financial markets or other economic factors that are beyond our control. The past performance of an investment or product is not a reliable indicator of future results. You should therefore carefully consider all investment/product decisions.

Any specific warnings relevant to particular investments, investment strategies, or products will be provided to you in your Suitability Advice Report and/or your Demands and Needs Statement collectively (Written Advice).

Investment, Mortgage and Protection Advice and Recommendations Scope

Any investment, mortgage or protection advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in your Written Advice.

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in your Written Advice. We will always make it clear when products are not within the 'regulated' scope and advise you of your rights.

Paying For Advised Services

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided, which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of any future Service fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Other costs, including taxes, related to transactions may arise that are not paid via us or imposed by us. For further details on how to pay for our services, please read the "Guide to Our Services". There are no additional charges for our services for using a means of distance communication.

Implementing Investment Solutions

As with most investments there is a risk of loss, especially in the short-term (over periods of less than five years). If you need access to your money in the very short-term, then holding it in a risk-free bank account could be the right course of action. We will discuss these options with you, as well as providing a detailed Suitability Advice Report for you to read in your own time, before we implement our recommendations. This will help ensure you understand the advice you have been given. Of course, if you have any questions, we will be happy to help. You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

When we arrange an investment for you it will typically be made into a collective investment fund. These funds have a range of different investment strategies so we will recommend one that aligns with your attitude to risk and the period of time you wish to invest for.

These funds will typically be bought via an investment platform that we recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our Best Execution Policy. For example, for the majority of collective investments, they will be bought or sold at the next Valuation Point (typically 12.00 Middy) the next business day, after the instruction has been received by the platform.

Once we have agreed on an appropriate solution, we will provide you with full details of the investment fund, platform, and all associated costs.

Cancellation / Termination of Authority

You can cancel these terms of business at any time without penalty. This will not affect any outstanding transactions being carried out on your behalf and you may still have to pay a fee to us – see Investment Advice Refunds below.

To cancel these terms of business you should notify us using the contact details above.

The Ongoing Service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details above. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments we will endeavour to instruct the Provider, Platform or DFM to stop the fee within 5 working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

Investment Advice Refunds

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given, and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

Language

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include Face-to-Face meetings, Post, E-mail and by telephone using the contact details above.

Location of Advice

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any location outside the UK.

Timing of Written Advice

Financial Planning: I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation and where applicable before implementing any advice that I have recommended.

Mortgage Advice:

I will send you a Suitability Advice Report setting out the reasons for my recommendation within 15 days of making that recommendation.

Protection Advice:

I will send you a Demands and Needs statement setting out the reasons for my recommendation before the policy starts. If I am advising you by telephone, and the policy starts on the same day the Demands and Needs statement will be sent by the end of the next working day.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this, we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

The adviser fee made for an ongoing service is also VAT free provided it is in respect of an intermediation service. This means activities such as topping up an investment or utilising available investment tax allowances, such as the ISA allowance. In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

However, where a Discretionary Fund Manager (DFM) forms part of a solution, then VAT may become chargeable.

Declaration of Other Interests

To ensure that client interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflict of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests conflict with yours, you will be contacted, and we will obtain your consent to proceed. Our full conflict of interest policy is available on request.

Minor Non-Monetary Benefits

We are not able to receive or retain any inducements from a product provider. Should we receive any additional fee, commission or monetary or non-monetary benefit as a result of a recommendation made to you, we will return this to the product provider or transfer it to you (as appropriate) and attempt to stop further payments or inducements being received.

Our Ownership

Quilter Financial Services Limited and Quilter Mortgage Planning Limited are part of the Quilter Group. The Quilter Group of companies offers a range of pension, protection and investment solutions through both a UK and International platform. This may give rise to a potential conflict of interest where a company within Quilter Group has a suitable solution for your needs. If such a situation occurs, I will ensure that my recommendation is the best execution of your needs. I will also highlight the potential conflict of interest at the time of making the recommendation.
